ABOUT THE COMPANY

Yebna GCC is a family-led company utilizing the combined generational expertise. YGCC was established in 2014 using the collective experiences in the construction industry dating back to 1980.

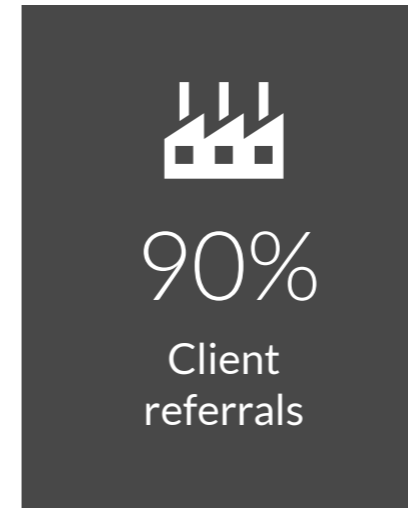

Yebna General Contracting Company L.L.C. (YGCC) is an Abu Dhabi-based construction services company and a fast-growing leader in the UAE market.

Combining generational experience that spans 40 years in the UAE market, YGCC emerged a robust and experiential company; specializing in the Roads, Buildings, Infrastructure, & Oil-field Development Works in the UAE.

YGCC has earned its recognition for undertaking large and challenging projects, creating and embracing new approaches to the industry, and thus making the difference for both its clients and employees.

YGCC has in short years built its clientele by maximizing its efforts to make for a chain of performance that meets the standards in the UAE

MISSION

Yebna GCC is proud to bring together generations of expertise to deliver infrastructure and buildings projects using systematic approaches to be marked with distinction.

market, as it proactively works in full compliance with the local and International Standards of Quality Management Systems to continuously improve honest and efficient practices.

YGCC prides itself for their commitment to provide top-tier services to its clients, with transparency being their strongest asset, and accordingly plans to expand its current services that cover areas of construction, operation, maintenance, & modeling.

Driven by its vision, YGCC works to lead the industry by nurturing

the employees that make quality the trademark, and has adopted this philosophy to meet the industry's highest standards, with which employees must become a priority. All of which reflects in the numbers that encourage our team to continue exceeding expectations..

The YGCC Family worked in extensive projects across the UAE; spanning roads, buildings, and infrastructure, and creating many of today's landmarks in the country, and hopes to continue its efforts in the UAE as a growing leader in the market.
